

Division 10 - Market Development (Ag Business Development)			
Statute	Reg	Purpose	Summary/Affect on Small Business
261.020	2 CSR 10-2.010	Market Reports.	Provides unbiased 3rd party market reports for producers. This rule establishes and fixes the various fees and charges for the Weekly Market News Summary.
261.020.	2 CSR 10-3.010	Usage Fees for the KCI Multipurpose Export Facility.	(This rule is being rescinded as the facility has been sold).
261.020.	2 CSR 10-4.010	Guidelines for the AgriMissouri Matching Fund Program.	(This rule is being rescinded as matching funds are no longer a part of the program).
277.200, 277.215	2 CSR 10-5.005	Price Reporting Requirements for Livestock Purchases by Packers – Emergency Rule expired March 2, 2000.	(This rule is being rescinded as it expired March 2, 2000).
277.200, 277.215	2 CSR 10-5.010	Price Reporting Requirements for Livestock Purchases by Packers.	(This rule is being rescinded as price reporting is no longer a requirement
277.200, 277.215	2 CSR 10-5.015	Public Complaint Handling and Disposition Procedure For Missouri Livestock Marketing Law.	(This rule is being rescinded as the price reporting statute has met the sunset date).

Division 20 - Administrative Services

Statute	Reg	Purpose	Summary/Affect on Small Business
Ch. 442, 442.592	2CSR 20-3.010	Registration of Foreign-Owned Agricultural Land.	Any foreign person who acquires or transfers any interest in agricultural land in Missouri, shall file a report with the director of the Department of Agriculture. The exception is when an interest in agricultural land is acquired or transferred for the sole purpose of extracting, refining, processing or transporting oil, gas, coal or lignite.

Division 30 - Animal Health

Statute	Reg	Purpose	Summary/Affect on Small Business
267.122	2 CSR 30-1.020	Laboratory Services and Fees.	This rule establishes fees for testing livestock/poultry/small animal samples for diseases that are a concern to producers, veterinarians, or that have a negative impact on the industry. Fees for testing services assist in defraying operating laboratory expense and to maintain and improve the level of services offered at the diagnostic laboratories.
267.010-267.730, 267.645	2 CSR 30-2.010	Health Requirements Governing the Admission of Livestock, Poultry and Exotic Animals Entering Missouri.	This rule sets forth the requirements governing the admission of livestock, poultry, and exotic animals into Missouri. Also, it adds trichomoniasis's requirements for non-virgin bulls or bulls 24 months of age or older exchanged, bartered, sold, leased or relinquished at a livestock market.
267.010-267.730, 267.603, 267.645	2 CSR 30-2.020	Movement of Livestock, Poultry and Exotic Animals Within.	This rule establishes requirements for livestock moving within the state to prevent the spread of disease.
267.010-267.730, 267.645	2 CSR 30-2.040	Animal Health Requirements for Exhibition.	These regulations establish identification and testing requirements for livestock entering Missouri for exhibition as well as livestock in the state moving for exhibition. The purpose of these regulations is to protect all livestock at these events from exposure of diseases.
267.645	2 CSR 30-2.060	Regulations Regarding Required Use and Sale of Brucella Abortus Vaccine.	This rule establishes the regulations relating to official calfhood vaccination in Missouri.
267.450.	2 CSR 30-2.070	Enforcement Regulations Governing Interstate Movement of Livestock and Poultry.	These regulations give the department authority to assist in the enforcement of the animal disease control and eradication law by inspecting vehicles transporting livestock for proper livestock identification and documentation. If there is a discrepancy in the information provided, the department may issue citations within the guidelines of this chapter.
267.645	2 CSR 30-2.080	Pseudorabies Quarantine Requirements.	Provides methods to control and eradicate pseudorabies from the swine population in Missouri.
266.420.	2 CSR 30-4.010	Garbage Cooking and Feeding.	The purpose of this rule is to establish the cooking requirements of garbage to be fed to swine and to prohibit the feeding of raw garbage to swine and to prevent swine that may have been fed raw garbage to enter the slaughter channels for human consumption.
Ch.277, 277.020, 277.100, 277.160.	2 CSR 30-6.015	Requirements and Responsibilities of Market Licensees.	Regulations to operate a livestock market/sale require the individual to apply for a license, acquire surety coverage, pass physical facility inspection, and secure a veterinarian to inspect/test animals offered for sale.
267.010-267.730, 277.100, 277.160.	2 CSR 30-6.020	Duties and Facilities of Market/Sale Veterinarian.	These regulations establish testing guidelines for veterinarian to inspect and test livestock moving through a livestock market/sale to prevent the spread of any livestock diseases.
267.560.	2 CSR 30-7.010	Provisions for Registration and Recordkeeping of Livestock Dealers.	This regulation requires that any person buying or selling cattle on a continual basis to be registered with the department as a dealer. There is no fee but they are required to maintain records on the origin and destination of livestock, date and place of transaction, number of head involved and type of livestock. In an event of a disease outbreak that would affect the livestock industry of this state, these records can assist in tracing the disease to the herd of origin.
267.560.	2 CSR 30-8.010	Requirements for the Eradication of Pullorum Disease and Fowl Typhoid In Poultry.	This regulation is designed to control hatchery-disseminated diseases and provide basic guidelines for disease control in and certification of poultry breeding flocks entering and within Missouri.
267.56	2 CSR 30-8.020	Missouri Poultry Improvement Plan (MPIP) – Requirements for Participation and Compliance With the National Poultry Improvement Plan (NPIP).	This regulation certifies breeding flocks, hatcheries as well as the state itself to allow uninterrupted interstate and international movement of poultry and poultry products.
273.346, 273.329, 273.344	2 CSR 30-9.020	Animal Care Facility Rules Governing Licensing, Fees, Reports, Record Keeping, Veterinary Care, Identification and Holding Period.	This rule establishes standards for adequate food, housing, health and veterinary care to protect and promote the companion animal industry in the state of Missouri.

Animal Health continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
273.344, 273.346	2 CSR 30-9.030	Animal Care Facilities Minimum Standards of Operation and Transportation.	This rule establishes standards for adequate food, housing, health and veterinary care to protect and promote the companion animal industry in the state of Missouri.
Ch. 265,265.020.	2 CSR 30-10.010	Inspection of Meat and Poultry.	These rules establish standards for all meat/meat products processed for human consumption to be inspected as well as the sanitary conditions of the commercial plants, which slaughter, store or process livestock poultry, meat or meat products that is to be sold for human consumption.
340.335 – 340.405	2 CSR 11.010	Large Animal Veterinary Student Loan Program.	This rule establishes the requirements for implementing the large animal veterinary student loan program
		ACFA	
		Trich	
		Large Carnivore- Ferel Swine	

Division 50 - Fairs

Statute	Reg	Purpose	Summary/Affect on Small Business
262.27	2 CSR 50-3.020	General Concessions.	Offers an opportunity for small business to operate in another market – the 11 day Missouri State Fair with prospects from across the state of Missouri and beyond. Many small businesses participate as vendors at the Missouri State Fair. The purpose of this rule is to explain procedures for participation as a vendor and establish certain regulations designed to protect both the individual businesses and the state while at the same time assuring smooth operation of the annual Missouri State Fair.
262.27	2 CSR 50-4.010	Rental Space Required to Advocate or Solicit Support for Ideas, Causes, Products, or Any of These While on State Fair Property.	Assures a small business the opportunity to return to the next fair and conduct business at the same location and further protects each business from other parties infringing on the assigned space. This regulation is designed to protect the customers which have properly leased space from which to conduct business on the fairgrounds during the annual fair from having unwanted individuals.
262.27	2 CSR 50-7.010	Policy and Procedure for Use of Any Facility at the State Fair During Off-Season.	Small businesses and organizations may choose to rent facilities on the Missouri State Fairgrounds. To do so, the business/event promoter must enter a facilities rental agreement with the Missouri State Fair at established rates and comply with all terms of the agreement. Small business has an extensive list of facilities to rent for a business venture that required land or buildings not available at the place of business for day to day operations.

Division 60 - Grain Inspection and Warehousing

Statute	Reg	Purpose	Summary/Affect on Small Business
276.401-276.582 RSMo	2 CSR 60-5.010-2 CSR 60.5.120	Establishes the Missouri Grain Dealer Law and Regulations	Any small business that purchases grain directly from Missouri farmers is required to be licensed, bonded and audited pursuant to these statutes and regulations.
411.010-411.800 RSMo	2 CSR 60-4.010-2 CSR 60-4.180	Establishes the Missouri Grain Warehouse Law and Regulations	Any small business that stores grain for the public which is not licensed under the United States Warehouse Act (7 U.S.C. 241-273) is required to be licensed, bonded and audited pursuant to these statutes and regulations.
411.026, 411.070 RSMO	2 CSR 60-4.011	Agricultural Commodities to be Regulated as Grain.	Provides interpretations made by the department regarding the definition of commodities which are to be regulated as grain.
411.015, 411.026, 411.070 RSMO	2 CSR 60-4.015	Scope of Law.	Explains interpretation made by the department regarding the scope of the Missouri Grain Warehouse Law as provided in section 411.015, RSMo.
Ch. 411, 411.070, 411.681 RSMO	2 CSR 60-4.016	Application of Law.	Explains the interpretation made by the department regarding the application of the Missouri Grain Warehouse Law as provided in section 411.681, RSMo.
411.07	2 CSR 60-4.020	Audit of Warehouse-Fees.	Establishes the scheduled fees to be charged for warehouse examinations.
411.07	2 CSR 60-4.030	Warehouse License-Fees.	Establishes the schedule of fees to be charged for public warehouse licenses.
276.090-276.150, 411.030, 411.070, 411.160	2 CSR 60-4.045	Weighing of Grain.	Clarifies who may weigh or supervise the actual weighing of grain at terminal warehouse locations, as well as at other grain warehouse locations, in Missouri as described in sections 411.030 & 411.160, RSMo.
411.070, 411.383	2 CSR 60-4.050	Warehouse Receipts.	States the requirements for negotiable warehouse receipts including the issuance, distribution, cancellation, retention and the procedures required when a negotiable receipt is lost or stolen, including the issuance of duplicate receipts, and also requirements for nonnegotiable receipts.
411.07	2 CSR 60-4.060	Safety Requirements.	Establishes licensee responsibility for safe working conditions for employees of the Missouri Department of Agriculture.
411.07	2 CSR 60-4.070	Notification of Destruction or Damage to Grain.	Establishes the responsibility of a warehouseman to notify the department if all or part of the grain contained in a licensed warehouse is destroyed or damaged.
411.070, 411.278, 411.281, 411.290	2 CSR 60-4.080	Storage Space Approval.	Establishes requirements for the approval of grain warehouse storage space for licensing.
411.07	2 CSR 60-4.090	Scale Tickets.	Defines a scale ticket, states when the tickets must be completed and what information they must contain.
411.07	2 CSR 60-4.100	Daily Position Record.	Clarifies the requirements for a perpetual inventory record.
Ch.326, 411.070, 411.260	2 CSR 60-4.110	Preparation of Financial Statements.	Sets forth what financial statements are required with an application for a Missouri grain warehouse license, who may prepare the financial statements, how these financial statements shall be prepared and what assets may be disallowed for licensing purposes.
411.07	2 CSR 60-4.120	Tariffs.	Establishes when a tariff must be submitted to the department and what the tariff must contain.
411.070, 411.260	2 CSR 60-4.130	Acceptance of Appraisal Values on Financial Statements.	Sets forth who is eligible to submit an appraisal of financial statement items, what items may be appraised, who may prepare an appraisal, what an appraisal must contain, the definition of fair market value, how often an appraisal must be submitted and how an appraisal will be discounted.
411.010-411.800, 411.070, 411.277	2 CSR 60-4.140	Certificates of Deposit.	Establishes guidelines for the submission, acceptance, safeguarding, possible liquidation and return of a certificate of deposit that has been submitted in lieu of a Missouri grain warehouse bond.

Grain Inspection and Warehousing continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
Ch. 411, 400.5-11, 411.010-411.800, 411.070, 411.275, 411.277	2 CSR 60-4.150	Letters of Credit.	Establishes guidelines for the submission, acceptance of and proceedings upon a bank letter of credit that has been submitted in lieu of a Missouri grain warehouse bond.
411.070, 411.290	2 CSR 60-4.170	Insurance Deductible.	Provides for the acceptance of insurance policies with deductible clauses.
Ch. 411, 276.401-276.582, 411.070, 411.325	2 CSR 60-4.180	Claim Valuation.	Establishes procedures to be followed in settling storage claims and in determining the value of storage claims. It also establishes methods and procedures to be used in allowing claims against the bond (security) filed with the Missouri Department of Agriculture.
276.401, 276.406	2 CSR 60-5.010	Agricultural Commodities to be Regulated as Grain.	Explains the department's definition of commodities which are to be regulated as grain.
276.401-276.582, 276.406, 276.426, 276.461	2 CSR 60-5.020	Interpretive Rule.	Provides interpretations of sections 276.401-276.582, RSMo which may be confusing or subject to different interpretations by interested members of the public.
Ch.411, 276.406	2 CSR 60-5.040	Daily Position Record.	Establishes what type of daily position records are to be maintained by class I and class II grain dealers.
276.406, 276.421	2 CSR 60-5.050	Acceptance of Appraisal Values on Financial Statements.	Establishes who is eligible to submit an appraisal of financial statement items, what items may be appraised, who may prepare the appraisal, what an appraisal must contain, the definition of fair market value, how often an appraisal must be submitted and how the appraisal will be discounted.
276.401-276.582, 276.406, 276.431	2 CSR 60-5.070	Certificates of Deposit.	Establishes guidelines for submission, acceptance, safeguarding, possible liquidation and return of certificates of deposit that have been submitted in lieu of a Missouri grain dealer bond.
276.401-276.582, 276.406, 276.426, 276.431, 400.5-101	2 CSR 60-5.080	Letters of Credit.	Establishes guidelines for the submission, acceptance of and proceedings upon a bank letter of credit that has been submitted in lieu of a Missouri grain dealer bond.
276.406, 276.421, Ch.326	2 CSR 60-5.100	Preparation of Financial Statements.	Establishes what financial statements are required with an application for a Missouri grain dealer's license, who may prepare the financial statements, how these statements shall be prepared and what assets will be disallowed for licensing purposes.
276.406, 276.423, 276.506	2 CSR 60-5.120	Fees.	Establishes what fees shall be charged when not specified by statute.
Ch.414, 414.142	2 CSR 90-30.040	Quality Standards for Motor Fuels.	Establishes quality standards for motor and heating fuels sold in Missouri. Requires motor and heating fuels regulated by Chapter 414, RSMo to meet specifications established by ASTM. Sets procedures for storage of motor fuels containing alcohol additives. Requires retail establishments to retain fuel delivery tickets. Establishes procedures for stop sale of substandard product.
Ch. 414, 414.142	2 CSR 90-30.050	Inspection of Premises.	Establishes requirements for the safe storage and handling of flammable and combustible liquids regulated by Chapter 414, RSMo. Sets safety requirements for all locations utilized for the sale or storage of petroleum products regulated by Chapter 414. Provides for inspection of these locations by a representative of the Department of Agriculture. Requires all persons installing, repairing, or servicing appliances, equipment or devices, including storage tanks and piping located at these facilities to be registered with the Missouri Department of Agriculture and demonstrate they have been properly trained or experienced in their work.
414.142	2 CSR 90-30.070	Unattended Self-Service Stations.	Sets safety requirements for self-service stations. Establishes requirements for service stations which allow or permit the refueling of motor vehicles by other than owner or employees without the presence of an attendant.
Ch.414, 414.142	2 CSR 90-30.080	Measuring Devices.	Establishes requirements for the specifications, installation, use and tolerances of petroleum measuring devices. Sets standards for installation and use of petroleum product measuring devices. Provides for inspection of devices every 6 months by Department of Agriculture.

Grain Inspection and Warehousing continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
414.035, Ch. 536	2 CSR 90-30.085	Financial Responsibility for Manufacturers, Installers and Repairers of Petroleum Equipment.	Establishes a procedure for persons who manufacture fuel storage tanks or piping for such tank or any person who installs or repairs all or part of a fuel storage tank system to register with the Department of Agriculture. Such person shall provide evident of financial responsibility for costs of corrective action directly related to releases caused by improper manufacture, installation or repair of such tank or piping. Also establishes procedures for enforcement actions.
Ch. 414, 414.142	2 CSR 90-30.090	Tank Truck and Tank Wagons.	Establishes requirements for tank truck and tank wagon measuring devices and tank vehicle safety. Requires tank truck and tank wagon measuring devices meet NIST Handbook specifications and tolerances. Requires the Department of Agriculture to test and inspect measuring devices on tank trucks and tank wagons once each year.
Ch.414, 414.142	2 CSR 90-30.100	Terminals.	Establishes requirements for terminal measuring devices and safety. Requires terminal locations utilized for sale or storage of petroleum products regulated by Chapter 414 to meet requirements of NFPA 30. Requires locations to be inspected and examined for safety every six months.
Ch.414, 414.142	2 CSR 90-30.110	Airports.	Establishes requirements for airport safety and measuring devices. Requires inspection of measuring devices used to dispense products regulated by Chapter 414 every 6 months.
196.354	2 CSR 90-36.010	Enforcement of Missouri Egg Laws.	Establishes egg quality standards. Establishes regulations covering licensing, selling, trafficking in, delivering, transporting, marketing, processing and distribution of eggs.
196.354, 196.361	2 CSR 90-36.020	Repackaging of Eggs at Retail.	Establishes requirements for repackaging shell eggs at the retail level. Provides a means for retail locations to obtain permission to repack shell eggs at the retail level.
416.410-416.560, 416.460	2 CSR 90-38-010	Unfair Milk Sales Practices Act - Definitions.	Establishes definitions for terms relating to the Unfair Milk Sales Practices Act. Provides a better understanding of the terms related to the Unfair Milk Sales Practice Act
416.410-416.560, 416.460	2 CSR 90-38.020	Unfair Milk Sales Practices Act.	Sets requirements or prohibits actions relating to practices done with the intent of unfairly diverting trade from a competitor or otherwise injuring a competitor or destroying competition or of creating a monopoly with regard to sale of milk. Establishes acceptable business practices for the sale of milk products in Missouri.
416.420, 416.450, 416.460	2 CSR 90-38.050	Enforcement of 2 CSR 90-38.030 Stayed or Enjoined.	Provides alternate provisions concerning price filings, volume price differentials, and cost records. Requires milk processor and distributors to provide milk price information to the director of agriculture on forms provided by department of agriculture.

Division 70 - Plant Industries

Statute	Reg	Purpose	Summary/Affect on Small Business
263.010 -263.080	2 CSR 70-10.010	Nursery Stock Defined.	Defines nursery stock for the purposes of sections 263.010-263.080, RSMo.
263.010 -263.080	2 CSR 70-10.015	Restricted Nursery Dealer Defined.	Defines a restricted nursery dealer as those with total receipts below \$2000. Restricted nursery dealers pay a significantly lower annual license fee.
263.010 -263.080	2 CSR 70-10.030	Shipment of Nursery Stock may be Held for Inspection.	Authorizes inspection of all foreign shipments of nursery stock and greenhouse stock whether or not they are accompanied by a valid inspection certificate. It gives the state entomologist the authority to hold any plants or plant products up to twelve hours for inspection. Assist small businesses with exports.
263.010 -263.080	2 CSR 70-10.040	Nurserymen to Report Treatment.	Requires nurserymen to report to the state entomologist the amount and kinds of nursery stock treated under quarantine requirements. Protects the nursery industry.
263.010 -263.080	2 CSR 70-10.050	Out-of-state Nurserymen to Verify Inspection Certification.	Verifies that all nurserymen shipping nursery stock into Missouri have had their nurseries inspected and certified by their state plant regulatory agency. Protects the nursery industry.
263.010 -263.080	2 CSR 70-10.070	Violation of Federal Quarantine Also State Violation.	Makes it a violation of the Missouri Plant Law to violate a United States Department of Agriculture plant quarantine. Protects the nursery industry.
263.010 -263.080	2 CSR 70-10.075	Fee Schedule.	Establishes a fee schedule for inspections performed. Monies derived from these inspections are to be deposited in the state treasury and shall not exceed the actual cost of the inspections.
263.010 -263.080	2 CSR 70-10.080	Certification Requirements.	Sets forth the procedures for specialized inspections and certification of all the following: bramble plants, strawberry plants, sweet potato seed, sweet potato plants, vegetable transplants, out-of-state growers of sweet potatoes and vegetable transplants, any plants not listed in the Missouri Plant Law and collected native wild plant material. Also sets forth procedures for the virus-free fruit tree and grapevine certification process. Protects farmers growing these crops.
263.040 263.050	2 CSR 70-11.020	Japanese Beetle Intrastate Quarantine.	To prevent the spread of a serious insect pest, known as the Japanese beetle (<i>Popillia japonica</i> Newman), within this state and to other uninfested states and to establish those areas which are to be regulated. Protects the nursery industry.
263.040 263.050	2 CSR 70-11.030	Pink Bollworm Intrastate Quarantine.	Prevents the spread of a serious insect pest, known as the Pink Bollworm (<i>Pectinophora gossypiella</i> Saunders), to other uninfested areas of the State of Missouri, and other states, and to establish those articles and areas which are to be regulated. Protects farmers.

Plant Industries continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
263.040 263.050	2 CSR 70-11.040	Bakanae of Rice Exterior Quarantine.	Prohibits the introduction of a serious disease pest of rice, known as Bakanae of rice or Foolish Seedling Disease, caused by the fungal organism, Gibberella fujikuroi (bakanae strains), into the state of Missouri, and establishes those articles and areas which are to be regulated. In the absence of a federal quarantine to prevent the movement and spread of this harmful disease of rice, it is necessary that the state entomologist take action to insure that infected rice seed and other regulated articles are not introduced into the state of Missouri. Protects farmers. No impact if other seed is available.
263.040 263.050	3 CSR 70-11.050	EAB Intrastate Quarantine.	This rule prevents the spread of a serious insect pest, known as the Emerald Ash Borer, Agrilus planipennis Fairmaire to other uninfested areas of the State of Missouri, and other states, and to establish those articles and areas which are to be regulated. Quarantine in Wayne County. Impacts loggers, millers, landowners and firewood processors in Wayne County. Protects the same businesses in the rest of the state.
	2 CSR 70-11.060	Thousand Cankers Disease of Walnut Exterior Quarantine.	This rule prevents the introduction into Missouri of Thousand Cankers Disease of Walnut, consisting of an insect pest, the Walnut Tree Beetle, Pityophthorus juglandis, and a fungal pathogen, Geosmithia morbida sp. Nov.
261.105	2 CSR 70-12.010	Sustainable Agriculture Demonstration Awards.	This rule sets forth the requirement for funding the development and coordination of demonstration projects on the lands of individual farmers in this state under actual farming conditions that will reduce the dependency of food and fiber production on nonrenewal inputs. No longer funded - no impact.
263.505	2 CSR 70-13.010	Definitions.	This rule defines terms used in the boll weevil eradication program. No impact
236.505 263.527	2 CSR 70-13.015	Regions.	This rule identifies the regions of Missouri, by county, for the purpose of implementing a boll weevil eradication program. No impact.
263.505 263.505	2 CSR 70-13.020	Boll Weevil Intrastate Quarantine.	This rule is to eradicate and prevent reintroduction and spread of the boll weevil within this state. No impact
263.505 263.515	2 CSR 70-13.025	Boll Weevil Exterior Quarantine.	This rule is to prevent the reintroduction and spread of boll weevil from other states. Protects the cotton farmers.
236.505 263.512 263.517 263.527	2 CSR 70-13.030	Program Participation Fee Payment and Penalties.	This rule describes the program cost, fee payment schedule and penalties for nonpayment of fees in the boll weevil eradication program.
263.505	2 CSR 70-13.035	Purchase of Cotton for Effectuation of Program Objectives.	This rule describes the instance where the director of the Missouri Department of Agriculture may authorize the purchase of growing cotton in the boll weevil eradication program.
263.505	2 CSR 70-13.040	Cotton Stalk Destruction.	This rule states the date by which cotton fields shall be destroyed and the penalty for not meeting that specific date, and cases in which a penalty will not be issued in the boll weevil eradication program. No longer enforced because of the stage of the program.
263.505	2 CSR 70-13.045	Registration of Apiaries.	This rule states that apiaries within a mile of the eradication zone shall be registered by a specific date, providing site-specific locations and identification on each hive within the apiary. No longer enforced because of the stage of the program

Plant Industries continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
263.505	2 CSR 70-13.050	Cotton/Bee Protection Area.	This rule states that all persons in possession of apiaries within the eradication zone or within one (1) mile of the eradication zone shall relocate apiaries out of the eradication zone during cotton bloom or take necessary action to protect bees and defines the policy used during the eradication program. No longer enforced because of the stage of the program.
264.095	2 CSR 70-15.015	Inspection Fees.	This rule establishes fees for inspecting apiaries. No impact.
264.095	2 CSR 70-15.025	Apiary Inspection Procedures. No impact	Establishes apiary inspection procedures.
264.095	2 CSR 70-15.035	Elimination of American Foulbrood Disease.	Establishes acceptable methods of eliminating American foulbrood disease from the apiary. Establishes how disease other than American foulbrood shall be dealt with prior to certification of the colony. No impact.
264.095	2 CSR 70-15.045	Elimination of Diseases other than American Foulbrood Disease.	Establishes how disease other than American foulbrood shall be dealt with prior to certification of the colony. No impact.
264.095	2 CSR 70-15.055	Compensation of Part-time Inspectors.	Compensates those apiary inspectors who are not employed on a full-time basis by the Missouri Department of Agriculture.
261.11	2 CSR 70-16.010	Definitions of the MDA Organic Program.	This rule defines terms to be used when implementing the Missouri Department of Agriculture Organic Program. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.015	Adoption of NOP Standards.	This rule outlines the portions of NOP 7 CFR, Part 205 that will be adopted as Missouri Department of Agriculture (MDA) Organic Program standards. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.020	MDA Organic Program Advisory Board.	This rule establishes a Missouri Department of Agriculture (MDA) Organic Program Advisory Board and defines its duties. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.025	Procedures for Organic Certification.	This rule outlines the procedures for application for organic certification or recertification by the Missouri Department of Agriculture (MDA) Organic Program, with associated fees. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.030	Records to be Maintained for Certification.	This rule describes the records that organic entities shall maintain for organic certification or recertification by the Missouri Department of Agriculture (MDA) Organic Program. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.035	Inspections and Sampling for Certification.	This rule outlines procedures that the Missouri Department of Agriculture (MDA) Organic Program will utilize for inspections and sampling of certification applicants and certified organic entities. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.040	Complaints for Investigations.	This rule outlines the criteria that the program will use to determine when to investigate complaints. (Program no longer funded. Will Rescind).

Plant Industries continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
261.11	2 CSR 70-16.045	Compliance Enforcement.	This rule outlines the criteria that the program shall use to determine when to implement compliance enforcement actions, and the procedures to be followed for the compliance actions. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.050	Certificates Issued from MDA Organic Program.	This rule outlines procedures for issuing certificates to organic entities that are certified by the program. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.055	MDA Organic Program Seal.	This rule establishes a Missouri Department of Agriculture (MDA) Organic Program Seal, and the criteria for use of the seal. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.060	Registration with MDA Organic Program.	This rule outlines procedures for organic entities to be registered with the program, with associated fees. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.065	Inspection and Sampling for Registration.	This rule outlines inspection and sampling procedures of applicants and registrants with the program. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.070	Marketing with Registered MDA Organic Program Logo.	This rule describes the use of the "Registered by the MDA Organic Program" logo. (Program no longer funded. Will Rescind).
261.11	2 CSR 70-16.075	Organic Certifying Agent Registration.	This rule outlines the procedures for certifying agents that certify organic entities in the state of Missouri to register with the program. (Program no longer funded. Will Rescind).
281.03	2 CSR 70-25.020	To Whom Licenses are Issued.	The reason for this rule is to clarify that in all cases an individual rather than the business entity will be licensed. This rule explains who shall be licensed under Chapter 281, RSMo. Chapter 281, RSMo requires all holding licenses to have proven competence through examination or training courses.
281.03	2 CSR 70-25.030	Classification of License.	This rule classifies licenses that will be issued under the authority of Chapter 281, RSMo. The reason for this rule is to clarify the type of licenses needed by persons whose occupations require them using or selling certain pesticides.
281.11	2 CSR 70-25.050	Review of Certification or License.	This rule is needed to keep unscrupulous pesticide applicators and dealers from continuing business by seeking harborage in another state. This rule provides for review of licenses by the director as provided for in section 281.110, RSMo. The reason for this rule is to allow the director to determine whether or not denial or revocation procedures should be invoked on an individual whose license has been denied or revoked or who has been convicted in criminal or civil action in another state or by the federal government for misuse of pesticides.
281.035	2 CSR 70-25.060	Applications for Certified Licenses.	This rule determines what personal and professional information will be required of an applicant for a commercial applicator's license. This rule is necessary to provide the information needed by the state to administer an effective regulatory program as required by Chapter 281, RSMo and still protect the privacy of the individual applicant.
281.065	2 CSR 70-25.065	Acceptable Insurance and Bond Forms for Commercial Applications.	Requires insurance to be held by commercial applicators. This rule identifies those insurance and bond forms which are acceptable to the Missouri Department of Agriculture as evidence of financial responsibility protecting persons who may suffer legal damages as a result of the operations of a commercial pesticide applicator.

Statute	Reg	Purpose	Summary/Affect on Small Business
281.025	2 CSR 70-25.070	Requirements for Certified Application Licenses in Structural Pest Control.	This rule sets forth the qualifications required for those persons who wish to be certified s commercial applicators or public operators in the category of structural pest control This category is described in 2 CSR 70-25.100(5)(G).
281.025	2 CSR 70-25.080	Stipulations for Certified Applicator Licenses.	This rule sets stipulations on certified commercial applicators, certified noncommercial applicators and certified public operators. Stipulations would have no impact on small business.
281.035	2 CSR 70-25.090	Examination for Certified Applicator Licenses.	This rule sets forth the type of examination to be taken (written, oral or practical); provides for hardship cases; provides that the director may determine the specific content of the examination; provides for rules of conduct during examinations; and provides for examination. No impact.
281.035 281.045	2 CSR 70-25.100	Certification Categories for Commercial Applicators and Operators.	This rule is necessary in order to provide categories for the certification of applicators and operators due to the wide diversity of areas of knowledge which has evolved within the pest control industry. These categories are necessary in that no individual should be expected to demonstrate a practical knowledge of all facets of the pest control industry, nor is this demonstration necessary.
281.025	2 CSR 70-25.110	Standards of Competence for Certified Applicators and Operators.	This rule contains the general standards of competence for applicators and operators on which the contents of examinations will be based. It also contains the category specific standards of competence on which the category examinations will be based. This rule is necessary in order to convey to the applicant a knowledge of the standards for which s/he will be required to demonstrate an acceptable level of competence.
281.035 281.045	2 CSR 70-25.120	Contents of Records Maintained by Certified Applicators and Operators.	This rule is necessary to provide all the necessary information on particular pesticide treatments in the event a commercial applicator, noncommercial applicator or public operator is charged with misuse of a pesticide or possible other charges, either by the director, other regulatory agencies or by a client.
281.04	2 CSR 70-25.130	Requirements for Certified Private Applicator License.	This rule sets forth the requirements for a certified private applicator license.
281.04	2 CSR 70-25.150	Course of Instruction and Standards of Competence for Certified Private Applicators.	This rule is necessary to set forth the contents of any course of instruction for the private applicator which is to be approved by the director. The approval is provided for in section 281.040, RSMo. This rule sets forth the contents of any course of instruction, plus the standards of competence to be covered during the course of instruction. A method for the verification of private applicator training is set forth in this rule also.
281.038	2 CSR 70-25.156	Responsibilities of Certified Commercial Applicators Qualifications and Stipulations for Pesticide Technicians.	This rule defines the responsibilities, application requirements, qualifications and stipulations related to the pesticide technician license classification established under section 281.038, RSMo.

Statute	Reg	Purpose	Summary/Affect on Small Business
281.05	2 CSR 70-25.160	Application for Pesticide Dealer Licenses.	This rule determines that personal and professional information will be required of persons applying for a pesticide dealer license. This rule is necessary to protect the privacy of the individual applicant and still provide the information needed by the Missouri Department of Agriculture to administer an effective regulatory program as required by Chapter 281, RSMo.
281.025	2 CSR 70-25.170	Stipulation for Pesticide Dealer Licenses.	This rule sets stipulations on pesticide dealers' licenses. This rule is necessary to keep unlicensed persons from masquerading as pesticide dealers.
281.05	2 CSR 70-25.180	Contents of Records Maintained by Pesticide Dealers.	This rule outlines the contents of records to be maintained by pesticide dealers.
266.195	2 CSR 70-30.010	Definitions and Terms.	This rule defines words and terms used in these rules.
266.195	2 CSR 70-30.015	Adoption of Terms and Definitions for Feeds and Feed Ingredients.	The terms and definitions published in the Association of American Feed Control Officials' Official Publication are generally accepted throughout the United States. Adoption of these terms and definitions in Missouri would allow uniform feed labeling for feed manufacturers that distribute feed into and out of the state.
266.195	2 CSR 70-30.016	Commercial Feed License.	This rule establishes the requirements for obtaining a commercial feed license. Assist small businesses with in obtaining commercial feed licenses.
266.195	2 CSR 70-30.017	Requests for Copies of Labels and Labeling.	This rule establishes the conditions under which the state may request copies of labels or labeling from a license applicant or licensee.
266.195	2 CSR 70-30.018	Requests for Independent Consultants to Furnish Various Documents.	This rule establishes the conditions under which an independent consultant may be required to furnish signed copies of their formulations, specifications, use directions and appropriate warning statements.
266.195	2 CSR 70-30.020	Label Format.	This rule establishes the format of the label, determines mandatory wording on the label, what terms may or may not be used and states what must be guaranteed.
266.195	2 CSR 70-30.030	Label Information.	This rule and requirements conform to the AAFCO Model Rules. Missouri Commercial Feed Law states that products are misbranded if not labeled for appropriate use. Restrictions by FDA on meat and bone meal use are covered by this rule.
266.195	2 CSR 70-30.040	Expression of Guarantees.	This rule establishes what must be guaranteed and how the guarantees must be expressed.
266.195	2 CSR 70-30.045	Suitability	This rule establishes that a feed is labeled and suitable for a specific animal and class(es) of animal.
266.195	2 CSR 70-30.050	Ingredients.	This rule establishes uniform and complete labeling of all constituents in a feed, according to language and quality restrictions adopted by the Official Publication of American Feed Control Officials.

Plant Industries continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
266.195	2 CSR 70-30.060	Directions for Use and Precautionary Statements.	This rule establishes when a direction for use or precautionary statement must appear on the label.
266.195	2 CSR 70-30.070	Nonprotein Nitrogen.	This rule defines use limitations and correct labeling procedures for nonprotein nitrogen.
266.195	2 CSR 70-30.080	Drug and Feed Additives.	This rule defines limitations for use and labeling of nonnutritive feed additives.
266.195	2 CSR 70-30.085	A List of Drug and Feed Additives.	This rule provides a list of substances that may be used as drugs or feed additives. In addition, this list allows consistent formulation between the Missouri Commercial Feed Law and most other states.
266.195	2 CSR 70-30.090	Adulterants.	This rule defines and limits some specific adulterants included in section 266.180, RSMo.
266.195	2 CSR 70-30.100	Good Manufacturing Practices.	This rule establishes manufacturing practices which will permit correct mixing and labeling of medicated feeds.
266.195	2 CSR 70-30.110	Assessment of Administrative Penalties.	This rule defines the terms, and/or conditions under which an administrative penalty can be assessed by the director upon a violator under section 266.212(1), RSMo.
266.195	2 CSR 70-30.115	Processed Animal Waste Products in Animal Feed Ingredients.	This rule establishes the requirements that must be met before recycled animal waste products can be used as commercial feed in the state.
266.195	2 CSR 70-31.010	Definitions and Terms.	This rule describes terms used in regulating pet foods.
266.195	2 CSR 70-31.020	Pet Food Label Format and Labeling.	This rule specifies the information required on the label.
266.195	2 CSR 70-31.024	Declaring Net Contents.	This rule standardizes packaging and labeling of contents consistent with the Association of American Feed Control Officials and other states.
266.195	2 CSR 70-31.030	Pet Food Brand and Product Names.	This rule sets limits on advertising used in a pet food name.
266.195	2 CSR 70-31.040	Expression of Guarantees in a Pet Food.	This rule establishes a uniform method of expressing guarantees.
266.195	2 CSR 70-31.050	Ingredients.	This rule establishes uniform terms of expressing ingredients and to set standards of acceptance.
266.195	2 CSR 70-31.070	Drug and Pet Food Additives.	This rule sets limits on the additives that may be used.
266.195	2 CSR 70-31.080	Statements of Calorie Content.	This rule permits a declaration of calorie content to provide better information to pet food purchasers.
266.195	2 CSR 70-31.090	Descriptive Terms.	This rule defines calorie and fat terms used in the labeling of pet food in order to be consistent with the labeling laws of other states.
266.091	2 CSR 70-35.010	Definitions.	This rule designates what plants' seed are agricultural (crop) seeds for labeling purposes and also designates restricted weeds' seed. Both agricultural (crop) seed and restricted weeds' seed content must be declared on the label to comply with the statute, but the seed of plants making up these lists are not specified by statute.

Plant Industries continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
266.091	2 CSR 70-35.020	Seed Labeling Requirements.	This rule clarifies permitted ways in which to label noxious weed seed content, requires a complete address of the seed labeler, sets forth labeling requirements for vegetable seed below standard in germination, sets vegetable seed germination standards, requires the purity percentages of seed labeling to equal one hundred percent, requires that labeling information on the seed label be put in a set format, forbids advertising matter on a seed label, forbids extraneous information on a seed label, requires some indication of not for sale on unlabeled seed stored in sales outlets and makes the seed owner responsible for the labeling of bulk and opened bags of seed.
266.091	2 CSR 70-35.031	Licensing.	This rule specifies the kind of actual seed sales facility obligated to purchase a seed sales permit in compliance with section 266.031, RSMo and also emphasizes the need for both retail and wholesale places to purchase a permit.
266.091	2 CSR 70-35.045	Exemptions.	This rule permits the sale of seed containing more than the normally allowed amount of weed seed when needed for experimental or breeding purposes.
266.091	2 CSR 70-35.050	Submitting Service Samples.	This rule specifies who may obtain cost-free seed analysis and how many analyses they may have free of cost. It also sets a cost on samples submitted by persons over this amount and to others who are not eligible for cost-free analysis.
280.05	2 CSR 70-40.015	Standards for Treated Timber	Establishes the "minimum" treating standards for treated wood products sold to Missouri consumers.
280.05	2 CSR 70-40.016	Producers to Follow Pesticide Label.	Requires all "licensed" wood treaters to comply with pesticide label directions.
280.05	2 CSR 70-40.025	Standards for Inspection, Sampling and Analyses.	Establishes sampling and laboratory protocol for treated wood samples collected by MDA. Rule also requires that all licensed wood treaters maintain an 80% sample conformance rate.
280.05	2 CSR 70-40.040	Branding of Treated Timber.	Requires all licensed wood treaters to "brand" their treated wood products prior to offering them for sale. Rule also defines what type of branding is considered acceptable.
280.05	2 CSR 70-40.050	Requirement for Treated Timber Invoices and Manifests.	Requires licensed wood treaters to include an invoice or manifest with every shipment of material sold and allows MDA to stop any treated wood products in transit to check for this paperwork.
280.05	2 CSR 70-40.055	Sale or Distribution of Wood Products.	Provides a method of distinguishing treated wood products from products that have the "appearance" of being treated. Rule also specifies that a violation of this rule is punishable under the Missouri Merchandizing Practices Act.
263.259	2 CSR 70-45.010	Terms and Duties of County Weed Control Boards.	Establishes terms and duties of weed control board members.

Statute	Reg	Purpose	Summary/Affect on Small Business
265.02	2 CSR 70-50.010	MO Extra Fancy Apple Grade.	This rule establishes a new apple grade to be used only by Missouri apple growers on apples packed in Missouri. The apple standards are a voluntary use standard. Growers are not required to use standards but at their option may pack apples according to standards and stamp boxes accordingly to the Missouri Grades. They were developed for Missouri growers as a marketing tool so that receivers or buyers would know the specific quality or grade of apples when the grade was applied to the apple box. There would be minimal or no impact to small business from these standards. Provides new apple grade of "Missouri Extra Fancy Grade" for Missouri-grown apples. Benefits small businesses selling Missouri products. Missouri apple growers benefit from this marketing tool.
265.02	2 CSR 70-50.020	MO No. 1 Apple Grade.	This rule establishes a new apple grade to be used only by Missouri apple growers on apples packed in Missouri. Minimal Impact.

Division 80 - State Milk Board

Statute	Reg	Purpose	Summary/Affect on Small Business
196.931-196.959, 196.939, 196.941	2 CSR 80-2.010	Definitions.	Defines terms used in the regulations in the State Milk Board. This rule corresponds with. Section 1 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration. Helps clients understand terms used in rules, Pasteurized Milk Ordinance, and statutes for grade A pasteurized milk .
196.939	2 CSR 80-2.020	Sale of Adulterated, Misbranded Milk or Milk Products.	This rule corresponds with Section 2 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration. Provides for the control of adulterated and/or misbranded Grade A milk or milk products.
196.939	2 CSR 80-2.030	Permits.	Provides for the issuance of permits to persons involved in the production, transporting, and processing of Grade A milk and milk products. This rule corresponds with Section 3 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration.
196.939	2 CSR 80-2.040	Labeling.	Regulations for the proper labeling of Grade A milk and milk products. This rule corresponds with Section 4 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration. Assists clients with labeling requirements.
196.939	2 CSR 80-2.050	Inspection Frequency and Procedures.	Requirements concerning inspection frequency and procedures. This rule corresponds with Section 5 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration. Sets minimum guideline for inspections of milk production and processing facilities.
196.939	2 CSR 80-2.060	Examination of Milk and Milk Products.	Specifies sampling frequency and required chemical bacteriological tests to be conducted both on raw and pasteurized Grade A dairy products. This rule corresponds with Section 6 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration. Sets guidelines for sampling of milk and milk products and tests conducted on samples.
196.939	2 CSR 80-2.070	Standards of Milk and Milk Products.	Standards which Grade A raw or pasteurized milk or milk products must meet with regard to cooling temperatures, bacterial limits, somatic cell counts, antibiotics, coliform limits, phosphates determinations, and sanitation requirements for dairy farms, milk haulers, transfer stations, receiving stations, and milk plants. This rule corresponds with Section 7 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration. Minimum allowable for temperature and maximum levels for test results on milk samples listed.
196.939	2 CSR 80-2.080	Animal Health.	Requirements regarding animal health for Grade A dairy farms. This rule corresponds with Section 8 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration. Guidelines for maintenance of animal health.

State Milk Board continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
196.935, 196.939	2 CSR 80-2.091	Milk and Milk Products which may be Sold.	Specifies milk and milk products which may be sold. This rule corresponds with Section 9 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration
196.939	2 CSR 80-2.101	Transferring, Delivery Containers, Cooling.	Lists Standards relating to transferring; delivery container; and cooling of milk and/or milk products. This rule corresponds with Section 10 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration
196.939	2 CSR 80-2.110	Milk and Milk Products from Points Beyond the Limits of Routine Inspection.	Milk complying with National Conference on Interstate Milk Shipments (NCIMS) standards may be sold in Missouri. Requirements for milk and milk products from points beyond the limits of routine inspection. This rule corresponds with Section 11 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration.
196.939	2 CSR 80-2.121	Future Dairy Farms and Milk Plants.	Requirements for construction or reconstruction of future dairy farms and milk plants. This rule corresponds with Section 12 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration.
196.939	2 CSR 80-2.130	Personal Health.	Personal health of employees at milk production and processing facilities must meet requirements. Requirements relating to personnel health. This rule corresponds with Section 13 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration.
196.939	2 CSR 80-2.141	Procedure when Infections is Suspected.	If a milk production or processing employee exhibits signs of infections procedures must be followed. Procedure to follow when infection is suspected. This rule corresponds with Section 14 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration.
196.939	2 CSR 80-2.151	Enforcement. Cites authority for actions by State Milk Board.	Provides for regulatory enforcement methods. This rule corresponds with Section 15 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration
196.939	2 CSR 80-2.161	Penalty.	Violation of rules and regulations dealing with milk production and processing may include penalty. Provides for the penalty for violation of any of the provisions of these rules. This rule corresponds with Section 16 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration.
196.939	2 CSR 80-2.170	Seprability Clause.	If any section of the rules becomes unconstitutional or invalid, the remainder are not affected. This rule corresponds with Section 17 of the "Grade A Pasteurized Milk Ordinance with Administrative Procedures" of the U.S Public Health Service/Food and Drug Administration.

State Milk Board continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
196.939	2 CSR 80-2.180	Adoption of Grade A Pasteurized Milk Ordinance with Administrative Procedures.	This rule provides for the adoption by reference the “Grade A Pasteurized Milk Ordinance with Administrative Procedures” of the U.S Public Health Service/Food and Drug Administration” and is a recommended ordinance for adoption by state and local government for the sanitary control of Grade A Milk and Milk products
196.939	2 CSR 80-3.010	Definitions.	Defines terms used in regulations of the State Milk Board including production of grade A raw and retail raw milk and milk products.
196.939	2 CSR 80-3.020	Sale of Adulterated, Ungraded or Misbranded Milk or Milk Products Prohibited.	Specifies what grade A raw and retail milk products can and cannot be sold.
196.939	2 CSR 80-3.030	Permits. Permits for grade A raw and retail milk listed.	This rule provides for the issuance of permits to individuals in the production and distribution of Grade A retail raw milk and milk products.
196.939	2 CSR 80-3.040	Labeling.	Provides regulations for the proper labeling of Grade A retail raw milk and milk products.
196.939	2 CSR 80-3.050	Inspection of Production and Distribution Facilities.	Requirements concerning the inspection of production and distribution facilities. Gives client snapshot of what is required during inspections.
196.939	2 CSR 80-3.060	Examination of Milk and Milk Products.	Clients know inspectors may conduct regulatory functions when and how. This rule specifies sampling frequency and required chemicals and bacteriological test to be conducted on Grade A retail raw milk and milk products
196.939	2 CSR 80-3.070	Grading of Milk and Milk Products.	Clearly sets standards that Grade A retail raw milk and milk products must meet.
196.939	2 CSR 80-3.080	Suspension and Reinstatement of Permits.	Rules pertaining to suspension and reinstatement of permits.
196.939	2 CSR 80-3.090	Transferring or Dipping Milk. Rules for container use	Regulations pertaining to transferring or dipping of milk, delivery containers, cooling and quarantined residences
196.939	2 CSR 80-3.100	Notification of Disease.	Regulation for the notification of disease to the state authority. Employees working with Grade A raw dairy production and processing with or carrying communicable disease must report it to SMB
196.939	2 CSR 80-3.110	Procedure when Infection is Suspected.	Regulations pertaining to the procedures when infection is suspected. Procedures must be taken when employees have infections.
196.939	2 CSR 80-3.120	Enforcement Interpretation.	Regulations pertaining to enforcement interpretation. SMB has authority to enforce regulations herein.
196.939	2 CSR 80-3.130	Adoption of the Grade A Pasteurized Milk Ordinance. PMO is our guide	Adoption of the Grade A Pasteurized Milk Ordinance with Administrative Procedures- Current Recommendations of the United States Public Health Services/Food and Drug Administration by Reference.
196.540,	2 CSR 80-6.011	Specifications for the Construction and Operation and Installation of Equipment for Milk Processing.	Construction guidelines for manufacturing grade facilities.
196.540, 196.520-196.610,	2 CSR 80-6.021	Protection and Transportation of Raw Milk and Cream. Facility and equipment guidelines for manufacturing grade milk	Establishes provisions for the protection and transportation of raw milk and cream.
196.540,	2 CSR 80-6.031	Provisional Licensing. Guidelines to ensure manufacturing grade milk safety to processor.	Provisional permission for applicants for license of Fieldsman, Grader, and Bulk Milk Truck Operators for a period not to exceed thirty days following application, payment of the license fee and taking examination.
196.540,,	2 CSR 80.-6.041	Dairy Plant Licensure.	Dairy Manufacturing Plant and /or Dairy Manufacturing Farm Personnel Licensure. Ensures plant personnel properly licensed to handle milk properly for sale to public. Quality assurance.
196.540, 196.550	2 CSR 80-6.051	Milk Sampling.	Daily or Random Fresh Milk Sampling for Market Testing. Quality assurance measures for milk testing.

Division 90 - Weights and Measures

Statute	Reg	Purpose	Summary/Affect on Small Business
323.020.	2 CSR 90-10.011	Inspection Authority - Duties.	Sets out the authority and duties of the inspection authority. Chapter 323 directs the Missouri Propane Gas Commission to set forth general standards covering design, construction, installation and operation of equipment for storing, handling, transporting and utilizing liquefied petroleum gases (LPG) reasonably necessary for the protection of health, welfare and safety of the public.
Ch. 323, 323.020	2 CSR 90-10.012	Registration - Training.	Sets registration, training, and examination requirements for LPG-related operations. Persons/businesses involved in the design, construction, installation and operation of equipment for storing, handling, transporting and utilizing LPG are required to register with Missouri Propane Gas Commission and comply with established training requirements.
323.020.	2 CSR 90-10.013	Installation Requirements.	Sets minimum general standards covering design, construction, location and installation of equipment for storing and handling LPG. Requires persons/businesses to submit plans for proposed LPG installations and sets requirements for installations.
323.020.	2 CSR 90-10.014 -	Storage.	Sets minimum general standards for the storage of LPG. Persons/businesses involved in storage of LPG must meet minimum general safety standards.
323.020.	2 CSR 90-10.015 -	Container, System or Equipment Violations.	Sets procedures for Missouri LP Gas Commission to address or eliminate hazardous conditions which could result in serious property damage or loss of life. Inspection authority may place and LPG system, container, or equipment out of service if it constitutes a substantial hazard to public safety or welfare.
323.020.	2 CSR 90-10.016	Meters for Measurement - Specifications and Proving.	Sets minimum general standards for design of meters used for measuring LPG. Requires the LPG meters meet certain requirements and provides the Dept of Agriculture the authority to test the accuracy of such meters utilizing standards developed by the National Institute of Standards and Technology Handbook 44.
261.023,323.020.	2 CSR 90-10.020	NFPA Manual 54, National Fuel Gas Code.	Adopts the provisions of NFPA Manual 54 covering installation of LPG appliances and LPG piping. Sets requirements for the installation of LPG appliances and LPG piping.
261.023,323.020.	2 CSR 90-10.040	NFPA Manual No. 58, Storage and Handling of Liquefied Petroleum Gases.	Adopts the provisions of NFPA Manual 58 covering the storage and handling of LPG. Also sets installation procedures required for LPG carburetion which are not covered by NFPA 58. Sets requirements for the safe storage and handling of LPG and installation of LPG carburetion equipment.
323.020.	2 CSR 90-10.060	NFPA Manual No. 59, LP Gases at Utility Gas Plants.	Adopts the provisions of NFPA Manual 59 covering the standard for storage and handling of LPG at utility gas plants. Sets requirements for the safe storage and handling of LPG at utility gas plants.
323.020.	2 CSR 90-10.070	NFPA Manual No. 501A, Manufactured Home Installations.	Regulates mobile home park LPG fuel supply systems. Sets requirements for installation of LPG fuel systems for mobile home parks.
323.020.	2 CSR 90-10.090	NFPA Manual No. 501C, Standard for Recreational Vehicles.	Adopts provisions of NFPA 501C covering the design, manufacturing, installation and inspection of recreational vehicle heating and/or related systems utilizing LPG. Sets requirements for LPG systems for recreational vehicles.

Statute	Reg	Purpose	Summary/Affect on Small Business
266.355,	2 CSR 90-11.010	Safety Requirements for the Storage and Handling of Anhydrous Ammonia.	Adopts standards of ANSI K61-1 to establish minimum requirements for storage, transportation, and handling of anhydrous ammonia. Sets requirements for safe storage, transportation, and handling of anhydrous ammonia products.
413.065.	2 CSR 90-20.040	NIST Handbook 130 Uniform Regulation for the Method of Sale of Commodities.	Adopts standards for method of sale of commodities developed by NIST. NIST Handbook 130 contains uniform standards for the method of sale of commodities.
413.335	2 CSR 90-21.010	Registration of Servicemen.	Sets up guidelines for registration of service technicians for commercial weighing and measuring devices. This is voluntary registration program for service technicians installing and/or repairing commercial weighing and measuring devices. Registered service technicians can place devices into service upon installation or after repairs have been made.
413.065	2 CSR 90-21.025	Intervals to inspect and test commercial weighing and measuring devices.	Sets an annual inspection for commercial devices. Sets requirements for commercial weighing and measuring devices to be tested annually.
413.335	2 CSR 90-21.030	Requirements for Pit Type Scales.	Sets installation requirements for pit-type scales. Provides requirements for installation of pit-type scales.
413.065, 413.175	2 CSR 90-21.040	Portable or Self-Contained Scale Requirements.	Sets installation requirements for portable or self-contained scales for use in semi-permanent locations. Establishes requirements for portable or self-contained scales for use at semi-permanent locations.
413.065, 413.175	2 CSR 90-21.050	Requirements for Pitless Scales.	Sets installation requirements for pitless scales. Provides installation requirements for pitless scales.
413.065	2 CSR 90-21.060	National Type Evaluation Regulation.	Adopts uniform guidelines for type evaluation of weighing and measuring devices. Provides guidelines for ensuring that commercial weighing and measuring devices meet established national standards.
413.065	2 CSR 90-22.140	NIST Handbook 130, "Uniform Packaging and Labeling Regulation".	Adopts provisions for packaging and labeling of commodities contained in NIST Handbook 130. Establishes uniform guidelines for packaging and labeling of commodities.
413.065, 413.225	2 CSR 90-24.010	Collection of Inspection Fees.	Establishes guidelines to facilitate collection of inspection fees required by 413.225, RSMo. Allows director to require advance payment of scale inspection fees established under 413.225 if person still owes for a previous inspection. Failure to pay inspection fees may result in device being tagged unapproved.
413.065	2 CSR 90-25.010	Price Verification Procedures.	Establishes guidelines for price verification procedures. Establishes procedures for performing price verification inspections.

Statute	Reg	Purpose	Summary/Affect on Small Business
Ch.414, 414.142	2 CSR 90-30.040	Quality Standards for Motor Fuels.	Establishes quality standards for motor and heating fuels sold in Missouri.Requires motor and heating fuels regulated by Chapter 414, RSMo to meet specifications established by ASTM. Sets procedures for storage of motor fuels containing alcohol additives. Requires retail establishments to retain fuel delivery tickets. Establishes procedures for stop sale of substandard product.
Ch. 414, 414.142	2 CSR 90-30.050	Inspection of Premises.	Establishes requirements for the safe storage and handling of flammable and combustible liquids regulated by Chapter 414, RSMo. Sets safety requirements for all locations utilized for the sale or storage of petroleum products regulated by Chapter 414. Provides for inspection of these locations by a representative of the Department of Agriculture. Requires all persons installing, repairing, or servicing appliances, equipment or devices, including storage tanks and piping located at these facilities to be registered with the Missouri Department of Agriculture and demonstrate they have been properly trained or experienced in their work.
414.142	2 CSR 90-30.070	Unattended Self-Service Stations.	Establishes requirements for service stations which allow or permit the refueling of motor vehicles by other than owner or employees without the presence of an attendant. Sets safety requirements for self-service stations.
Ch.414, 414.142	2 CSR 90-30.080	Measuring Devices.	Establishes requirements for the specifications, installation, use and tolerances of petroleum measuring devices. Sets standards for installation and use of petroleum product measuring devices. Provides for inspection of devices every 6 months by Department of Agriculture.
414.035, Ch. 536	2 CSR 90-30.085	Financial Responsibility for Manufacturers, Installers and Repairers of Petroleum Equipment.	Requires any person who manufactures fuel storage tanks or any person who installs or repairs all or part of a fuel storage tank system to register annually and provide evidence of financial responsibility as required by 414.035, RSMo. Establishes a procedure for persons who manufacture fuel storage tanks or piping for such tank or any person who installs or repairs all or part of a fuel storage tank system to register with the Department of Agriculture. Such person shall provide evident of financial responsibility for costs of corrective action directly related to releases caused by improper manufacture, installation or repair of such tank or piping. Also establishes procedures for enforcement actions.
Ch. 414, 414.142	2 CSR 90-30.090	Tank Truck and Tank Wagons.	Establishes requirements for tank truck and tank wagon measuring devices and tank vehicle safety. Requires tank truck and tank wagon measuring devices meet NIST Handbook specifications and tolerances. Requires the Department of Agriculture to test and inspect measuring devices on tank trucks and tank wagons once each year.
Ch.414, 414.142	2 CSR 90-30.100	Terminals.	Establishes requirements for terminal measuring devices and safety. Requires terminal locations utilized for sale or storage of petroleum products regulated by Chapter 414 to meet requirements of NFPA 30. Requires locations to be inspected and examined for safety every six months.
Ch.414, 414.142	2 CSR 90-30.110	Airports.	Establishes requirements for airport safety and measuring devices. Requires inspection of measuring devices used to dispense products regulated by Chapter 414 every 6 months.
196.354	2 CSR 90-36.010	Enforcement of Missouri Egg Laws.	Establishes regulations covering licensing, selling, trafficking in, delivering, transporting, marketing, processing and distribution of eggs. Establishes egg quality standards.
196.354, 196.361	2 CSR 90-36.020	Repackaging of Eggs at Retail.	Establishes requirements for repackaging shell eggs at the retail level. Provides a means for retail locations to obtain permission to repack shell eggs at the retail level.
416.410-416.560, 416.460	2 CSR 90-38-010	Unfair Milk Sales Practices Act - Definitions.	Establishes definitions for terms relating to the Unfair Milk Sales Practices Act. Provides a better understanding of the terms related to the Unfair Milk Sales Practice Act
416.410-416.560, 416.460	2 CSR 90-38.020	Unfair Milk Sales Practices Act.	Sets requirements or prohibits actions relating to practices done with the intent of unfairly diverting trade from a competitor or otherwise injuring a competitor or destroying competition or of creating a monopoly with regard to sale of milk. Establishes acceptable business practices for the sale of milk products in Missouri.

416.420, 416.450, 416.460	2 CSR 90-38.050	Enforcement of 2 CSR 90-38.030 Stayed or Enjoined.	Provides alternate provisions concerning price filings, volume price differentials, and cost records. Requires milk processor and distributors to provide milk price information to the director of agriculture on forms provided by department of agriculture.
Ch. 414-255	2 CSR 110-3.010	Establishes MO Renewable Fire Standards	Describes the operation of the renewable fire standards, defines terms, establishes requirements and exemptions for fuel distributors, position holders, terminals, suppliers and fuel retailers and adds exemptions for mid-level ethanol blend dispensers and E-15 and describes enforcement provisions.

Division 100 - Missouri Agricultural and Small Business Development Authority (MASBDA)

Statute	Reg	Purpose	Summary/Affect on Small Business
Ch.348	2 CSR 100-1.010	Established and describes the Missouri Agricultural and Small Business Development Authority.	Creates a commission to promote agriculture and small businesses in Missouri
Federal/ IRS Code	2 CSR 100-2.010	Beginning Farmer Loan Program Definitions.	This program offers a lower interest rate to beginning farmers (small businesses) on loans for acquisition of land, building, equipment, and livestock. The lower rate is achieved by placing federally tax- exempt bonds with the farmer's lender.
Federal/ IRS Code	2 CSR 100-2.020	Beginning Farmer Loan Program- This rule sets forth the requirements which must be met by the applicant in order to be an eligible borrower for a loan under this program.	This program offers a lower interest rate to beginning farmers (small businesses) on loans for acquisition of land, building, equipment, and livestock. The lower rate is achieved by placing federally tax- exempt bonds with the farmer's lender.
Federal/ IRS Code	2 CSR 100-2.030	This rule sets forth the requirements for the time and manner of filing applications for loans under this program.	This program offers a lower interest rate to beginning farmers (small businesses) on loans for acquisition of land, building, equipment, and livestock. The lower rate is achieved by placing federally tax- exempt bonds with the farmer's lender.
Federal/ IRS Code	2 CSR 100-2.040	This rule sets forth the fee structure for this program.	This fee is charged to the applicant (small business)
Federal/ IRS Code	2 CSR 100-2.050	This rule sets forth the conditions for execution of the loan agreement.	This program offers a lower interest rate to beginning farmers (small businesses) on loans for acquisition of land, building, equipment, and livestock. The lower rate is achieved by placing federally tax- exempt bonds with the farmer's lender.
348.190-348.225	2 CSR 100-6	Single Purpose Animal Facilities Loan Guarantee.	This program offers a loan guarantee on loans made to independent livestock producers (small businesses) to finance breeding or feeder livestock, earthworms, land, buildings, facilities, equipment, machinery and animal waste systems used to produce poultry, swine, beef cattle, dairy cattle (and other livestock) and earthworms.
348.005-348.225, 348.195, 348.210,	2 CSR 100-6.010	Description of Operation, Definitions, Fee Structures, Applicant Requirements, and Procedures for Making and Collecting Loans and Amending the Rules for the Single-Purpose Animal Facilities Loan Guarantee Program.	This rule describes the operation of the program described above; defines terms; and establishes the fee structure, applicant's requirements, procedures for loan approval and collections, and conditions under which amendments will be made.
348.403-348.412	2 CSR 100-7	Missouri Value-Added Loan Guarantee Program (MoVAP) .	The Missouri Value-Added Loan Guarantee Program provides a 50% first-loss guarantee to lenders who make agricultural business development loans (typically small businesses) for the acquisition, construction, improvement, or rehabilitation of agricultural property used for the purpose of processing, manufacturing, marketing, exporting, and adding value to an agricultural product.
348.015, 348.400, 348.400-348.415, 348.403	2 CSR 100-7.010	This rule describes the operation of the program; defines terms; and establishes criteria for borrowers, procedures for loan approval and collections, and conditions under which amendments will be made.	Describes the processes, fees and requirements for small businesses to apply for the loan guarantee.
348.432-348.439	2 CSR 100-10	New Generation Cooperative Incentive Tax Credit Program.	The Missouri Agricultural and Small Business Development Authority provides New Generation Cooperative Incentive Tax Credits to induce producer member investment into new generation processing entities that will process Missouri agricultural commodities and agricultural products into value-added goods, provide substantial benefits to Missouri's agricultural producers, and create jobs for Missourians. Both the Cooperative and investors could be small businesses
348.432	2 CSR 100-10.010	Description of Operation, Definitions, and Method of Distribution and Repayment of Tax Credits.	Describes the processes, fees and requirements for the cooperative and its investors to apply for the tax credits.

MASBDA continued			
Statute	Reg	Purpose	Summary/Affect on Small Business
348.22	None	Establishes the Animal Waste Treatment Facilities Loan Program.	The purpose of the Animal Waste Treatment System Loan Program is to finance animal waste treatment systems for independent livestock (usually small, family owned businesses) and poultry producers at below conventional interest rates.
348.407-348.408	None- rules rescinded	Establishes the Missouri Value-Added Grant Program and Ag Product Utilization Fund.	The Missouri Value-Added Grant Program provides grants for projects that add value to Missouri agricultural products and aid the economy of a rural community.
348.500-348.505	None	Establishes the Family Farm Breeding Livestock Loan Program.	The Missouri Agricultural and Small Business Development Authority provides Missouri tax credits to Missouri's lenders who make breeding livestock loans to small farmers. The tax credits pay the first year's interest on the loan.
135.679	None	Establishes the Qualified Beef Tax Credit Program.	Provides Missouri tax credits to Missouri's qualified beef producers (typically small businesses) who raise and background or finish Missouri born qualified beef animals to a weight of two hundred (200) pounds or more over their established baseline weight.

Division 110 - Office of the Director

Statute	Reg	Purpose	Summary/Affect on Small Business
142.028	2CSR 110-1.010	Missouri Qualified Fuel Ethanol Producer Incentive Program.	This rule describes the general organization, definitions, requirements of eligibility, licensing, bonding, application for grants, procedures for grant disbursements, record keeping requirements and verification procedures. This rule is needed so that the department can provide production incentive payments to fuel ethanol producers in Missouri and help ensure the vitality of the Missouri ethanol industry.
142.031	2 CSR 110-2.010	Missouri Qualified Biodiesel Producer Incentive Program.	This rule describes the general organization, definitions, requirements of eligibility, licensing, bonding, application for grants, procedures for grant disbursements, record keeping requirements and verification procedures. This rule is needed to that the department can provide production incentive payments to biodiesel producers in Missouri and help ensure the vitality of the Missouri biodiesel industry.
